

Free Information and Orientation Session in English

Information Session on Health Care Access Program (HCAP)

Health Care Access Program (HCAP) recruits passionate and caring individuals to work as Health Care Support Workers with 100% of paid wages along with free tuition and books during training. No prior experience required.

Virtually meet Fraser Health to learn about:

- What is the Health Care Access Program?
- What are the requirements of the Program?
- What type of jobs are available?
- How do you apply?
